

## Erica Bradley

*Associate Fiduciary Officer*

Erica Bradley joined Peak Trust Company's Nevada office in 2024 as an Associate Fiduciary Officer. In this role, Erica supports the administration of Nevada trust accounts, ensuring they are managed in accordance with the terms of the governing instruments and in the best interests of the beneficiaries. She leverages her experience in Nevada trust administration, customer service, and problem-solving to provide excellent support to Peak's clients.

Erica brings a strong background in Nevada trust administration and customer service to her position at Peak Trust Company. Prior to joining the team, Erica held progressive roles in the Nevada trust industry, including positions as a Trust Administrator and Manager of Trust Administration. In these roles, she gained valuable experience in administering a large book of Nevada trust accounts, managing funds, processing transactions, and corresponding with clients and interested parties.

In addition to her trust administration experience, Erica has a strong foundation in customer service. She has acted as a first point of contact for customers, guiding them through forms, explaining processes, updating systems, and providing status updates. Her ability to solve caller concerns expeditiously and professionally, combined with her collaborative approach to resolving issues, makes her a valuable asset to the Peak team.

Erica is currently pursuing her Bachelor of Science in Information Technology from Western Governors University, which will further enhance her technical skills and ability to leverage technology in her role as an Associate Fiduciary Officer.

With her commitment to providing exceptional service, her attention to detail, and her problem-solving skills, Erica is well-equipped to support the administration of Nevada trust accounts at Peak Trust Company, ensuring that clients receive the highest level of care and professionalism.
