

Tanequa Davis

Associate Fiduciary Officer

Tanequa Davis serves as an Associate Fiduciary Officer at Peak Trust Company, bringing over 19 years of experience in the financial services industry. She supports the fiduciary team in trust administration, account onboarding, and compliance oversight while maintaining a strong focus on relationship management and client service excellence.

Prior to joining Peak, Tanequa served as a Trust Officer at a national financial institution, administering complex trust and probate accounts in accordance with governing documents and regulatory requirements. She collaborated closely with clients, legal professionals, and internal partners to ensure fiduciary responsibilities were met with accuracy and care.

Tanequa has also held leadership roles in private banking and retail branch operations, including as a Senior Client Associate and Branch Manager. Across these roles, she developed expertise in risk management, account administration, and team leadership.

Tanequa holds an Associate Degree in Business Administration from Southern New Hampshire University. Known for her attention to detail and commitment to client-focused solutions, she plays a key role in delivering high-quality fiduciary services at Peak Trust Company.
